Subject: News from Wrights Rock Shop

Welcome to Wrights Rock Shop

I updated Chinese Gallery 1 with the new finds of malachite and rosasite on prehnite; malachite and rosasite on quartz; azurite; botryoidal fluorite; sphalerite in quartz; amethyst; fluorite; and orpiment on 4/18/07.

The new finds are different - especially the malachite, quartz on prehnite. This seems to be a limited find.
