Subject: website updates at Dan Weinrich Minerals

- * In the past three days we have added **57 new specimens** to the website, priced from \$4 - \$350, with many under \$75.
- * The auction closes tonight at 7 p.m. eastern standard time.
- * I will be adding more specimens later this week, some of very high quality.
- * There are currently **766 searchable specimens** in all price ranges on the website! We would like to hear your comments about the new search engine and the website in general.
