Hi Everybody,

Roger and Uta have just listed a new **Seller Page** of items they acquired at Ste Marie 2007.

A diverse selection of 42 minerals from the huge range that were on show last week.

Auction 137 is still offering a range of **Buy Nows** that will be available until 18:30Hrs this evening.

Have a good weekend - here in the UK it is going to rain again and there is a Postal Strike!

Best Wishes
