Subject: Fluorite, Beta citrine, Quartz in Gallery 21

Welcome to Wrights Rock Shop

I created Gallery 21 by adding beta citrine; fluorite from Mexico, Illinois, Morocco, New Mexico; poldervaartite, calcite, dioptase, morganite, quartz, blue quartz and others on 7/19/07.

I thought that you might be interested in the pieces that are no longer available.

Please remember to mention that you are a of Wrights Mineral News for your 10 % discount.

Chris
