**Subject:** website updates at Dan Weinrich Minerals

- \* We just posted 24 new pyromorphites from China. Mostly thumbnails with a few miniatures, these are neat bright green hopped lustrous crystal groupings without matrix.
- \* There are currently 846 easily searchable specimens on the website, in all price levels.
- \* Look for more updates, including new Burmese tourmalines, early next week.
- \* See us in Springfield, Mass. in August!
