**Subject:** Greenside Minerals - Oxford Mineral Show

Hi,

We will be displaying many of our Cornish (including coppers, cassiterites and chalcocite), African (from Morocco, Namibia, the DRC and South Africa), Indian (zeolites and associates) and Chinese (mainly spessartine) specimens at the Oxford (UK) Minerals show this weekend (Sunday 2nd December). If you can get to the show come along to our tables and say hello - we'll be pleased to meet you.

Full details of the show are available via the website - [www.greensideminerals.com](http://www.greensideminerals.com).

Regards,

Gary Atkinson  
(Greenside Minerals - [www.greensideminerals.com](http://www.greensideminerals.com))
