Hi everyone!

I hope those who travelled are safely back from Tucson and enjoyed the show. I wish I had been there for the TGMS exhibition.

This weeks first auction to close is **Auction 196** ending **Tonight** at **23:00Hrs UK Time**.

Auction 198 is already on line to start at at **18:30Hrs UK Time**.

Advance notice for tomorrow is a new Seller page from new entrant South African Minerals.

The page comprises some 9 quartz and ajoite specimens from Messina Mine.

South African Minerals is otherwise known as Jan Eklund a collector from Pinegowrie, RSA.

Don't forget if you have surplus specimens/de-accessions and you would like to try e-Rocks, all you need is a digital camera and a Paypal account.

Let us know and we'll help you get started

Best Wishes
