Hi All,

We have just added a new Seller Page for Ingo Drescher.

A total of 52 items on a page called **Tin Can Mexican Minerals**.

You can always rely on Ingo to provide something slightly different.

Ingo tells me there has been 20cm of snow in the Harz Mountains where he lives, here at Thames Valley Towers it has been windy, cold with sunshine and hail.

I hope the weather is better for you.

Wishing you a peaceful Easter Weekend.

Best Wishes  
Mark Wrigley
