Subject: Papagoite in quartz, Pyromorphite, Kammererite

Welcome to Wrights Rock Shop

I updated Classic Gallery 2 with pyromorphite from Bunker Hill, Idaho; barite from Grand Junction, Colorado; Turkey Fat Smithsonite; rhodochrosite from Pasto Bueno, Peru; papagoite in quartz; sulphur; fluorite; tourmaline from the Himalaya Mine, California; vanadinite, kammererite and others on 4/18/08.

Please mention that you are a member of Wrights Mineral News for your 10% discount.

If we have not been as responsive as we should, we have had the retail shop with major water leaks due to hail, snow, and wind. We have had tornadoes, 14" of snow, floods, high winds, and softball size hail in the last five weeks.
