Click Here to go the Search page <http://www.dakotamatrix.com/search.asp>. Simply place the mineral name in the box and search.

Our usual **Weekly Update** is this **THURSDAY, MAY 8th at 8AM US Mountain Time**.

You can check our website everyday for the prior days listings by clicking on the "Smiley Face" in the upper right corner of our main page. If it's a "Frowny Face", we didn't get the chance to upload the five for the day.

Cheers
