Welcome to Wrights Rock Shop

I updated Gallery 1 with Poldervaartite, inesite, azurite with malachite, rhodochrosite, apatite, spinel smithsonite, and others on 6/28/08.

Many of these are specimens that are not currently being found and at a better price. The poldervaartite, rhodochrosite and spinel are especially good values.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
