If your institution subscribes to GeoScienceWorld (GSW) go to:

<<http://ammin.geoscienceworld.org/>>

--

If you have a personal subscription to the journal through MSA, and want to access the journal on GeoScienceWorld (GSW), go to:

<<http://msa.minsocam.org/geoscienceworld.html?p=1>>

--

or see it on the MSA website at:

<<http://www.minsocam.org/MSA/ammin/toc/2008/AS08.html>>

[2] The 2008 short course is "Minerals, Inclusions and Volcanic Processes", 13-14 December 2008, San Francisco CA, USA organized by Keith Putirka and Frank Tepley. Description and registration is online at <<http://www.minsocam.org/MSA/SC/#volprocess>>

There is a special session at AGU related to the short course: Session V15: "Minerals, Inclusions, and Volcanic Processes 1: Thermobarometry and Implications for Magma Storage and Transport". Conveners: Keith Putirka, Andrew Barth, Thor Hansteen, Andreas Klugel, Pietro Armienti <<http://www.agu.org/meetings/fm08/index.php/Program/SessionSearch/?show=detail&sessid=205>>

[3] The National Science Foundation invites applications from U.S. citizens, nationals, and permanent residents at or near the beginning of their graduate study seeking research-based Master's and/or PhD degrees in NSF-supported science for the 2009 Graduate Research Fellowship Program (NSF-GRFP) - up to 3 years of graduate school support including a \$30,000 annual stipend, a \$10,500 annual cost of education allowance, and a one time \$1,000 travel allowance.

Application deadline October 31 <<http://www.nsfgrfp.org/>>. Administered by the American Society for Engineering Education <<http://www.asee.org/fellowships>>.

[4] MSA will have its range of social and technical functions at the GSA meeting, Houston, Texas (October 5-9, 2008). This is also MSA's Annual Meeting. If you are planning to attend registration is open at <<https://www.acsmeetings.org/2008/>>.

The Roebling Medal will be presented to Bernard W. Evans (Donna Whitney, Citationist) and the MSA Award to James Badro (Ho-kwang "Dave" Mao, citationist) at the MSA Awards Lunch 12:30-02:30 p.m. on

Tuesday, October 7, 2008. The 2007-2008 MSA Distinguished Lecturer's will also be recognized: Lukas P. Baumgartner, Daniele Cherniak, and Steven Jacobsen.

Later in the afternoon the Roebling Medal Lecture starts at 3 pm and Bernard Evans will speak on "Two examples of element-exchange equilibria in petrology". This will be followed at 4 pm by Peter Heaney giving his MSA Presidential address titled "Making Crystallography Dynamic: Real-Time Studies of Mineral-Fluid Reactions using X-ray Diffraction". The MSA Business Meeting follows from 5:00-5:30 pm, and the MSA/GS Joint Reception from 5:30 to 7:30 pm.
