**Subject:** Excalibur Mineral List #20806 Ready!

Greetings All,

The attached Word document has our latest list, filled with the usual assortment of new species, rarities, common and attractive minerals, plus a few surprise one-of-a-kind oldies from our extensive warehouse. All items are subject to prior sale and are FOB our warehouse.

For those of you who are local, we will be at the Franklin, New Jersey show on September 27 and 28. See you there!
