Subject: TVM Warren Taylor Tsumeb Collection

Hi All,

I have been working away on this for some months now, but today I am pleased to offer the first 40 specimens from Warren Taylor's Main Collection.

This update is logically named **Taylor Collection Tsumeb I**, these items are available now

For those of you who would prefer this is a link to the same items on **e-Rocks**.

More soon,

Best Wishes
Mark Wrigley
