Subject: ** UPDATE - The Keystone Mineral Sale Rooms! **

Greetings!

For the first time in a couple of weeks, every **Keystone Mineral Sale Room** has been updated. Also, just to make browsing easier and quicker, I've removed the dozens of sold specimens and consolidated the 26 rooms into 18 fully stocked rooms. Keep in mind that there are over 440 items in the sale rooms so there should definitely be something for everyone and every collection. Minerals also make great holiday gifts!

Here's an example of how the sale works...

SALE! #430

Sharp crystals of Native Copper on matrix!

Very cute specimen with very well formed and isolated Copper crystals.

From the Lake Superior Copper District, Keweenaw Peninsula, Michigan.

Measures 3.2 cm by 3.1 cm in size.

Sale Price \$785

This specimen is currently marked down to \$785 in the Sale Rooms.

During the Keystone Sale, the new price is now only \$392.50!

*** Every Sale Room specimen is 1/2 of the listed sale price! ***

Large orders, dealer orders, and layaways are very welcome. To visit the Sale Rooms, [please follow this link](#). All 18 Sale Rooms can be visited by clicking the links at the bottom of each page.

Please e-mail if you have any questions,

Kevin
