Dear Dave Barthelmy

It's almost impossible to believe, but Christmas and the end of the year are almost here. This is a good time to remember that we have Gift Vouchers for sale. These will make a perfect gift for your mineral collector friends, and you can always hint to your own family and friends that you'd love to receive one yourself!

We have been fortunate to find a good supply of Tiger Iron from the Marra Mamba in the Pilbara region of Western Australia, along with other decorative Australian stones. These make great decorative/display pieces and look good in any setting.

We don't have many international specimens in this newsletter, but we'll rectify that with our next edition.

We are going to be at the Glebe Street Fair in Sydney tomorrow (Sunday 16th November) and we hope to see some of our Sydney-based friends there

Happy collecting!

Susan and Bruce
