Subject: * * Update - Final Week for the Keystone Mineral Sale * *

Greetings!

Just a quick update to remind everyone that the **Keystone Mineral Sale** currently running in the Sale Rooms is down to its final week. Everything in all 18 rooms is 1/2 price until next Monday so now is the time to take advantage and maybe do a little Holiday mineral shopping. Remember, the prices listed in the sale rooms are discounted prices but I'm reducing them by another 50% during the sale which really makes this a "double Keystone Sale" in theory. **After Monday, December the 8th, all items will return to their regular sale prices.**

If you're looking to expand your collection with a large purchase or a dealer looking for inventory, let me know and we'll work something out. I desperately need to make space for Tucson 2009 items!!

In conjunction with the Keystone Mineral Sale, I'm also running a mineral sale in the Tucson 2008 rooms. All 13 mineral rooms are restocked with specimens carrying 40% discounts off the listed website prices. Unlike the Keystone sale however, this sale will continue through the entire month of December. Don't miss the huge discounts on these incredible specimens.

Thanks again and Happy Holidays to all!

Kevin
