Dear Dave Barthelmy

In this issue we have listed several more samples of the **brand new ZIRCON find from Malawi, Africa** that we introduced last week. We have tried to include a range of size, price and colour to meet people's various needs. We've broken up our new stock of zircons with a few other specimens that may also be of interest to you.

Our promotion offering a **USD15.00 Certificate to all new subscribers** to this newsletter runs out on December 15th. If you like our newsletter, please let your friends know.

We are beginning to plan our itinerary for 2009 - it looks like another packed year with Tucson, Horsham, Canberra and Lismore in the mix to name but a few. We'll keep you posted our plans become more concrete.

All the best

Susan and Bruce.
