**Subject:** \*\* Update - 1st Annual Best Offer Mineral Sale \*\*

Greetings!

I was planning on running a huge "End of Year" Mineral Clearance Auction as I've done in the past but I want to try something new this year. As you may already know, I will be relocating my office in 2009 and therefore need to reduce inventory. Instead of one final auction, this year I'm going to place nearly the entire website up for bidding! Here's how it will work....

The following mineral rooms will be part of the **Best Offer Mineral Sale!**

**All 18 Sale Rooms - [Click Here for Direct Access!](#)**

**All 13 Tucson Mineral Rooms - [Click Here for Direct Access!](#)**

**The Rhodochrosite Rooms - [Click Here to Enter!](#)**

**The Silver Rooms - [Click Here to Enter!](#)**

**The Beryl Rooms - [Click Here to Enter!](#)**

In these various mineral rooms, you will find hundreds of fine mineral specimens to choose from. Using the [Gallery Order Form](#), simply e-mail your best offers on the items you've chosen and I will respond quickly. When making your best offers, please consider the website price and what you feel other collectors may offer. This won't be a true auction per se but the best offer will still win the specimen if multiple offers are received on the same item. All in all, it should be a lot of fun and the bargains will be plenty.

The Best Offer Mineral Sale will run from December 22nd to January 1st unless I decide to extend it.

Best wishes for a happy and healthy Holiday season!

Kevin
