## **The Final Pre-Tucson Mineral Auction Closes Tonight!**

This is the final call for the auction! The mineral auction will close this evening at 8 PM central / 9 PM eastern and all bids need to be in prior to that time. If you wish to place a bid but find it difficult due to your time zone, please e-mail and I will place a proxy bid for you. And don't forget that this is a special event auction - Read below!

**SPECIAL FEATURE \*\*** In this final auction before the show, I want to try something that was very popular last year at this time. I have plenty of room to add additional auction specimens so e-mail me the items you would most like to see in the auction along with your starting bids. If I'm able, I will add those specimens to the auction and your bids will become the opening bids.

**In this way, you can build your own auction! If you have your eye on a**

website specimen, e-mail me the item number with your bid and I'll make it part of the auction.

Good luck and see you in Tucson!
