All auction orders will be processed, invoiced and prepared for shipment upon our return from the Tucson Shows around February 20, 2010.

See us in Tucson! We will be in three different locations:

Inn Suites Lobby; January 29 - February 13
Westward Look Resort: February 5 - 8
Convention Center "Main Show": February 11 - 14

We will be featuring specimens from the Lloyd Tate Collection. There will be completely different material offered at every location. This should be a great show!

As always, we welcome your comments and suggestions.
