We have added 34 new specimens from the Lloyd Tate collection to the website. Please have patience with any order/inquiries! We are currently traveling and our internet connection is not good. We will get back with you!

The auctions are closing Tuesday, March 16, 2010, at 7 p.m. eastern standard time. This week we have 75 super specimens - there are some outstanding and hard to obtain items in the auctions this week. Some of the highlights include:

- * many excellent specimens from the Lloyd Tate collection**
- * rare species from Russia, Norway, etc.**
- * several excellent thumbnails - forsterite from Egypt, Euclase from Brazil, etc.**

Plus many, many other great specimens! This promises to be a great and active auction.

We will be traveling over the next several weeks. The next invoicing/shipping date for auction specimens will be around March 20, 2010. Thank you for your patience.

As always, we welcome your comments and suggestions.
