**We have updated the website with 37 excellent new specimens. Great pieces in all size ranges are included in this update.**

**Also a reminder that the auctions are closing Tuesday evening at 7 p.m. eastern standard time. This week we have 75 super specimens - there are some outstanding pieces available this week. Some of the highlights include:**

- \* a fine tourmaline from Brazil
- \* large well crystallized blue celestine from Utah
- \* gorgeous orange crystal grouping of wulfenite - ex Sanborn collection
- \* many fine Lloyd Tate collection specimens
- \* an interesting copper cast after quartz from Michigan
- \* many neat rare species from the Mel Gortatowski collection
- \* showy green fluorite from Namibia
- \* large perfect smoky quartz from France

**Plus many, many other great specimens! This promises to be a great and active auction.**

**As always, we welcome your comments and suggestions.**
