**The Best Offer Auction Closes in less than 3 Hours!**

This is the final call for all bids, offers, and bid adjustments! We have less than three hours until the auction closes tonight and that's still plenty of time to get aboard but time is beginning to run short...

The best buy of the auction may be the 1850's Gold Rush Period crystalline Gold specimen and it still needs a bid! Definitely one to check out if you like a little history with your minerals.

Please e-mail if you'd like to request proxy bidding. Good luck to everyone!

Kevin
