We have updated the website with 35 excellent new specimens. Great pieces in all size ranges are included in this update.

Also a reminder that the auctions are closing Tuesday at 7 p.m. eastern standard time. This week we have 75 super specimens - there are some outstanding pieces available this week. Some of the highlights include:

- * well crystallized native copper from Michigan
- * superb large cabinet wulfenite from the recent finds at Ojuela
- * an array of showy Lloyd Tate collection specimens
- * Tiger, Arizona willemite
- * Rare species including wakabayashilite, iowaite, reedmergnerite, tsaregorodtsevite, kalsilite, etc.
- * rich altaite from New Mexico; native iron from Russia
- * old-time turquoise from Arizona
- * a showy mesolite from a new find in India
- * a superbly crystallized beautiful pink cabinet kutnohorite from Peru
- * large excellent Japan-law twin quartz from China - this a large cabinet specimen

Plus many, many other great specimens! This promises to be a great and active auction.

As always, we welcome your comments and suggestions.
