The Final Day of the Largest Online Mineral Sale Ever!

THIS IS IT! Today is the last day to take advantage of the huge sale discounts for all mineral rooms on the website! **The mineral sale will end tonight, May 19th, at midnight**, but all orders placed prior to that time will be accepted and payment can be made over time using our layaway option in order to lock in the sale prices.

Buy now and grab some great minerals at great prices and pay later!

Once again, all mineral specimens on the website are discounted **25% to 50% OFF** their online listed prices! Here are the links to some of the most popular rooms where you can literally choose from hundreds of fine mineral specimens:

*** Link to the Denver 2009 Rooms ***

*** Link to the Exceptional Rooms ***

*** Link to the Tucson 2009 Rooms ***

Please note, even though the discounts will vary according to specimen, no discount will be less than **25%** and most will be greater! Also, please browse through every mineral room on the website, not just the links listed above. All rooms on the website are taking part in this unique mineral sale.

Thanks again for your interest!

Kevin
