**We have completed several updates to the website. There is a good lot of showy Elmwood, Tennessee specimens, these priced from \$14 - \$750.**

**We have also updated 24 superb pieces from the Lloyd Tate collection to the website.**

**This is a reminder that the auctions will close on Tuesday evening, May 25, at 7 p.m. eastern standard time. This week we have 80 super specimens - there are some outstanding pieces available this week. Some of the highlights include:**

- \* **an excellent well crystallized Michigan copper**
- \* **beautiful Utah azurite**
- \* **gem heliodor; neat colorless beryl on tourmaline**
- \* **superb Panasqueira apatite**
- \* **gorgeous Meikle Mine barite**
- \* **neat Tsumeb smithsonite on galena stalactite**
- \* **rare species from the Gortatowski collection**
- \* **neat old-time specimens with A.E. Foote labels**
- \* **choice thumbnails from the Tate collection**
- \* **Plus many, many other great specimens!**

**As always, we welcome your comments and suggestions.**
