Hi All,

Tonight's auction is Ikram's and my collaboration of **Afghan/Pakistan Minerals Auction**.

We had fun selecting a range of both new and interesting specimens, as well as some more regular items from the region.

Two new auctions start at 18:30,

GreekRocks

31 Greek and other specimens from Chistos Spiromitros.

TVM 3 Day Special

60 mixed items, lots of BUY NOW and low starts, in an Auction finishing on Wednesday 23 June.

Cheers,

Best Wishes
