Welcome to Wrights Rock Shop

I updated Under 50 Gallery 2 with chrysocolla on malachite, red quartz, watermelon tourmaline, calcite, kyanite, lepidolite, mimetite, magnetite, smithsonite crystals, and others on 10/18/10.

I will be adding very interesting older stock in the next few weeks including smithsonite from Mexico (I found a few others), minerals from Tsumeb, Russia, Europe, Morocco, and Asia.

Please mention thjat you are a member of Wright's Mineral News for your 10% discount.

Chris
