Welcome to Wrights Rock Shop

I updated Gallery 24 with whewellite, Maltese cross barite in fluorite, beta quartz, spirit amethyst, citrine on danburite. bournonite, ferberite with fluorite and arsenopyrite, alexandrite, raspberry grossular garnet red stalactitic quartz, ludlamite, fluorite, tangerine quartz, and others on 10/20/10.

The Idaho ludlamite, wehewellite, and alexandrites from Russia are particularly difficult to find on today's market.

Please remember to mention

that you are a member of
