Subject: e-Rocks \$100 Auction ends today

Hi All,

Our **\$100 Auction** will close at 23:00Hrs UK Time today.

86 selected minerals all in a range of \$100 and upwards, well worth a visit!

We are making good progress with our new installation, but I recommend bidding early/using the delayed bid system in today's auction in case the server is busy at close time.

Auction 537 is on preview now and starts at 18:30hrs tonight, 80+ minerals today.

Best Wishes
Mark Wrigley
