Welcome to Wrights Rock Shop

I updated Gallery 3 with fluorite, henmilite, anapaite, calcite from England, Dulcote Agate, quartz over Chrysocolla, cassiterite, simpleite, selenite, smithsonite, turkey fat smithsonite, boulder opal, rainbow hematite, and others on 11/05/10.

The anapaite specimens are especially good larger pieces. Also, the turkey fat smithsonite and iridescent smithsonite are very good.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
