Hi All

### Season's Greetings from e-Rocks

The current [Hu Huehne Auction](#) closes today at 23:00Hrs UK Time.

Our last before Christmas - but still packed with many interesting minerals.

In continuation Joy Desor's Christmas Week Auction will start later and will be advertised on our [Homepage](#).

Our next auction to close is at 23:00Hrs on Boxing Day from [Tin Can Hill Minerals](#).

Finally before I switch the office lights off, I would like to wish all e-Rocks customers and friends a very happy Christmas.

Cheers

Mark W
