Hi All

Tuesday Round Up

[Chagas's Brazilian Minerals Auction](#) closes at 23:00Hrs UK Time.

A mix of 54 specimens mostly from Brazil - lots of good opportunities today.

Our last new seller page in the festive offering comes from Giuseppe Siccardi, [Yourmineralcollection](#), 20 specimens just opened.

This and all the other recent seller pages will be available until the end of January.

With Tucson coming up what better time than to introduce something new

[Luka Berkovic's Messina Minerals Auction](#) has just started

A small selection of interesting recently collected quartz, blue in the main!

Cheers

Mark W
