Welcome to Wrights Rock Shop

I updated Gallery 20 with acanthite, roselite, elbaite, titanite, morganite, brookite, vanadinite, calcite, apatite, aquamarine, cobaltoan calcite, scepter quartz and others on 3/15/11.

Most of the new specimens are from the Gobin stock and are discounted.

I will be adding more malachite and some of the Pau, France, calcites soon.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
