Hi All

Wednesday Evening

My very own [TVM Pakistan/Afghanistan Auction](#) closes later at **23:00Hrs UK Time**.

80 specimens mostly thumbnails everything \$5 with no reserve, some very nice things.

Today's new auction is from Roger Lang [Montanpark](#) starts at 18:30Hrs.

A new seller page from Christian Rewitizer is online, featuring [Prehnite from Merelami, Tanzania](#).

Another seller page from Earthstones is also online, [Minerals From Queensland](#).

Cheers

Mark W
