**\* The Super Dozen Mineral Auction is Open for Bidding \***

Something new this time! I've hand selected a dozen of our finest minerals and placed them into the Best Offer auction format. This will probably be the way we run auctions from now on since a dozen specimens makes for quicker browsing, easier bidding, and quicker turnaround times for new auctions. All twelve items are top quality pieces and all have reserve levels set at 1/2 price or lower! The normal auction rules remain so please check out the newest offering and have fun!

Please note that while there is a very reasonable reserve set for each item, feel free to make an offer below the reserve. Your offer must be approved before being entered into the auction. If the offer is too low, a counteroffer will be e-mailed for your consideration. Any offer made at the reserve level or higher is automatically entered into the auction.

This auction will close on April 6th, 2011 at 8 PM central. Good luck!
