Welcome to Wrights Rock Shop

I updated Gallery 26 with turkey fat smithsonite, dolomite on fluorite, druzy quartz over chrysocolla, brazilianite, aragonite, ferberite, hureaulite, aragonite and others on 6/21/11.

I will be adding a few other small turkey fat pieces in the near future.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
