Subject: * The Best Offer Mineral Auction Closes Tomorrow! *

*** The Best Offer Auction Closes Monday at 8 PM Central Time ***

It's that time again! The current Best Offer Auction will close tomorrow, July 25th at 8 PM central or 9 PM eastern time. Time to check your bids and make adjustments if needed. It's also time to enter all last minute bids to grab some incredible deals. Summertime auctions are always great auctions for bidders because they are so slow. I took a look at the auction this evening and saw many specimens without offers and very low bids on the specimens in play.

Don't miss out on this opportunity!!

Please note that while there is a very reasonable reserve set for each item, feel free to make an offer below the reserve. Your offer must be approved before being entered into the auction. If the offer is too low, a counteroffer will be e-mailed for your consideration. Any offer made at the reserve level or higher is automatically entered into the auction.

Good luck to all bidders and thanks for taking part!

Kevin
