**Welcome to Best Offer Mineral Auction #17!**

The latest Best Offer Mineral Auction is online and ready for bids and offers! 21 of our finest mineral specimens are up for grabs this time, including Gold, Rhodochrosite, Fluorite, Silver, bi-colored Beryl, and many more! All are available at very low starting bid levels and of course, all offers are welcome. I don't think anything will be disappointed with the beautiful assortment!

Please note, that while there is a very reasonable reserve set for each item, you are free to submit an offer below the reserve. Your offer must be approved before being entered into the auction. If the offer is too low, a counteroffer will be e-mailed for your consideration. Any offer made at the reserve level or higher is automatically entered into the auction. Good luck to all participants!
