We have added new specimens to the website.

This is also a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - some of very high quality! Highlights include:

- * purple apatite from Panasqueira
- * a set of gem green tourmalines; a set of multi-colored sapphires and rubies
- * choice Swiss hematite; beautiful Spanish fluorite
- * a suite of choice thumbnails/toe-nails from various localities
- * a large braunite crystal on matrix from Germany
- * emerald with pyrite from Colombia
- * large heliodor from North Carolina
- * well crystallized pyroxene from Ducktown, Tennessee
- * showy demantoid from Italy

Plus many, many other great specimens.

As always, we welcome your comments and suggestions.
