Hello David,

The HGS office will be closed August 10-11. Normal hours will resume on August 12.

The [2011 Summer NAPE Expo](#) will be held on August 17-19.. The topic for this year is: "Billions of Dollars Looking for Deals." NAPE is the world's largest E&P (upstream) expo. It provides a marketplace for the buying, selling

and trading of oil and gas prospects and producing properties via exhibit booths. NAPE is the premier E&P networking venue - where one can see what's going on throughout the entire oil patch in two days.

The [PESGB/HGS African Conference](#) will be held in London on September 7 and 8. Registration is now open! This annual conference, alternating between London and Houston, has established itself as the primary technical E & P conference on Africa, with an attendance regularly exceeding 300, including operators, consultants, governments and academia.

The [HGS General Dinner: "Practical Challenges in Correlation of Fluvio-Deltaic and Shallow Marine Deposits"](#) by Dr. Janok P. Bhattacharya will be held on September 12. Dr. Bhattacharya will show several examples of deltaic reservoirs.

FIELD TRIP NOTICE! The [Oklahoma City Geological Society](#) will be hosting an educational field trip from September 15 to 18. This 3-day trip will examine the lithostratigraphic framework of the Kinderhookian to Osagean section exposed in the tri-state Missouri-Oklahoma-Arkansas area in the midcontinent.

Volunteers Needed for HGS Science Education Outreach programs this fall! Please contact Jennifer Burton at jlbggeo@comcast.net to run programs at local schools, support K-12 Earth Science education, and be active in Earth Science Week activities in Houston, October 8th at the Houston Museum of Natural Science.
