The Second Denver 2011 Update!

The second update from the Denver Show is online and ready to go! This update gets things rolling with over 20 specimens, including a beautiful Morganite with Elbaite combo, a rare Schneeberg Silver, Pink Fluorite from France, and crystalline Gold from Romania! Lots of great new stuff! I welcome your comments or questions and of course, all offers!

Denver 2011 Show Room #2

Thanks again for making The Mineral Gallery your choice for fine minerals!
