Subject: * The Best Offer Mineral Auction Closes Tomorrow *

*** Best Offer Auction #19 Closes Monday at 8 PM Central Time ***

Closing time again! The Best Offer Auction will close tomorrow, Nov. 14th at 8 PM central and 9 PM eastern time so it's time to check your bids and make adjustments if needed. It's also time to enter all last minute bids to grab some incredible deals. I took a look at the auction this afternoon and saw a bunch of gorgeous specimens without offers and low bids on the specimens in play. Don't miss out on this opportunity to add a quality mineral to your collection!

All Reasonable Offers are Welcome! Once again, I am dropping the Reserve Price Levels for the close of bidding because I'd like to find a good home for every mineral specimen in the auction if possible.

Good luck to all bidders and thanks for taking part!

Kevin
