- * large rhodochrosite from Colorado
- * superb and showy wulfenite from Mexico
- * large well crystallized epidote from Alaska
- * pretty barite from South Dakota
- * numerous rare and unusual species, some "meta-type" material
- * choice thumbnails
- * lush green crystallized malachite from Tiger
- * plus many others

IMPORTANT NOTICE: January 19 is the last shipping date before Tucson. We will be preparing for shipment all orders on this date, including "hold" orders. Next shipping date will not be until the end of February.

As always, we welcome your comments and suggestions.
