*** Best Offer Auction #21 Closes Monday at 8 PM Central Time ***

Just one more day! The Best Offer Auction will close tomorrow, Jan 23rd at 8 PM central and 9 PM eastern time so it's time to check your bids and make adjustments if needed. It's also time to enter all last minute bids to grab some incredible deals. I took a look at the auction this afternoon and saw a bunch of incredible specimens without offers and very low bids on the items in play.

Don't miss out on this opportunity to add a quality mineral to your collection!
Note - All minimum reserves have been dropped so the auction is wide open!

Good luck to everyone!

Kevin
