We have added 73 new specimens to the website, all priced at \$100 and less.

This is also a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * **Classic British quartz/hematite and barite**
- * **well crystallized mimetite from Germany**
- * **very fine quartz/hematite combination from Switzerland**
- * **large anglesite crystals from Tsumeb**
- * **uranocircite from Germany**
- * **excellent aegirine from Malawi**
- * **various gem crystal specimens from the Himalayas**
- * **large superb axinite specimen from Pakistan**
- * **pretty wulfenite from Mexico**
- * **a very good franklinite from New Jersey**
- * **plus many others**

As always, we welcome your comments and suggestions.
