Welcome to Wrights Rock Shop

I updated Gallery 6 with larger xenotime crystals, microlite, eudialyte egg, elestial amethyst, morganite, creedite, wulfenite, blue quartz, cobaltoan calcite, spessartine, dravite and others 3/29/2012.

The Los Lamentos wulfenite is very good and the xenotime are large for their species.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
