**The Tucson Best Offer Auction Closes Monday at 8 PM Central Time**

Just one more day! The Best Offer Auction will close tomorrow, April 2nd at 8 PM central and 9 PM eastern time. It's now time to check bids and make adjustments if needed. It's also a great time for last minute bids to grab some incredible deals. I took a look at the auction this afternoon and saw a bunch of incredible specimens without offers and very low bids on the items in play.

Don't miss out on this opportunity to add a quality mineral to your collection!  
**Note - All minimum reserves have been dropped so the auction is wide open!**

Good luck to all bidders and thanks for taking part!
