We have added 100 new specimens to the regular website galleries. New specimens are available in all price ranges.

This is also a reminder that the auction will close Tuesday evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * classic European chalcopyrite/quartz with Stephan von Habsburg-Lothringen label!**
- * numerous neat quartz specimens**
- * several pretty azurites**
- * an excellent rich afghanite specimen**
- * choice emerald from Pakistan**
- * several fine Moroccan specimens**
- * wonderful microlite from Mozambique**
- * superb spessartine group from Tanzania**
- * neat and pretty orange stalactitic calcite group from Montana**
- * plus many others**

As always, we welcome your comments and suggestions.
